

Fit N' Grip Universal Case for 9-10" Tablets - Blue

THZ59101EU

Description

Targus Fit N' Grip Universal tablet case is designed to secure and protect your 9-10" device. Fit & Grip is a stretchy shock-absorbing silicone system which grips your tablet on all four corners and secures safely inside the case. Clever use of magnets and the Fit & Grip system means you can use your tablet camera from inside the case.

Features

- Right Fit, tight grip. Your tablet is held securely and safely in place by a silicone system with reinforced shock-absorbing corners with just enough stretch to grip devices with 9" to 10" screens.
- All around protection from everyday drops, bumps and knocks, the case surrounds your device in a soft interior with a durable front cover that is secured with an elastic closure.
- Angle Your Experience. Position your tablet forward or backward IN landscape or portrait for the optimal viewing angle. You can even create a convenient typing angle by folding the cover back to form a triangle stand.
- Flip, Point, Shoot. Taking a photo with your tablet's camera has never been easier. Simply fold the corner of the back cover to reveal your camera lens.
